Connected to One Another!
Connected to our Community!

- Building connections with our unchurched friends and relatives through the power of the Gospel.

Worship Christ with us!

Public worship will not be held until the governor's "Safer at Home" order is lifted or modified.

Check out our website for online worship opportunities.

Be strong in the Lord!

"Finally, be strong in the Lord and in his mighty power" Ephesians 6:10

Perhaps by the time you read this our experts will have developed an anti "Coronavirus" vaccine. If so, perhaps an annual shot will offer some protection against that dreaded virus. But not totally, since different strains may still hit us.

After years of fighting the devil's temptations, you'd think he would finally leave us alone. Instead the opposite is true. He steps up his attacks on our faith, telling us not to trust God so much. He tries to shift

our trust from God's promises to wondering if divine help is real. He flashes the grim specter of the grave before our eyes to try and close the door on our hope in Christ's emptied tomb. Often he succeeds and we suffer from a bad case of spiritual infection. What to do? Paul tells us. He urges us not to battle sin and temptation by ourselves, but to turn to God's "mighty power." "Get your spiritual anti-virus shot," he's telling us. Such an inoculation is not found at our neighborhood pharmacy, but in God's Word with

its empowering promises. The more we are assured that he will never leave us or forsake us, that the blood of his Son purifies from all sin, that rooms are waiting for us in the Father's house - the more we will become immune to sin's virus. Antiviral shots we may need annually. Spiritual shots from God's Word we need daily.

Your partner in turning to that powerful Word of our God,

Pastor Richard E. Lauersdorf

Worship our Lord with joy! (continued on p. 3)

Ministry Update

The Coronavirus has impacted our stewardship emphasis, forcing us to postpone our Celebration Sunday scheduled for March 28-29th. Yet, we rejoice that the Lord moved his people so far to return promise gifts for the next three years totaling \$723,000. What a blessing! These gifts will be used to reduce our expansion project mortgage thus freeing up funds for other ministry priorities. You may still return your promise sheet to the church office in person or by mail.

Online Giving - We invite you to continue offering your freewill offerings whether through online giving, sending your offering check through the mail, or dropping it off during office hours Monday- Thursday 8-11 am. To sign up for secure online giving, go to our website www.goodshepherdwels.org, click on the "offering" button, to take you to a giving portal. You may give a one time gift or ongoing offerings. All categories from our

envelope packet are also available online for your convenience. Call the office if you need assistance.

Our church will receive some funding from the government Payback Protection Program to help pay our workers at Good Shepherd School and Little Lambs during this economic shutdown.

The financial impact of the Coronavirus has affected us all in varying degrees. God's Word encourages us to give in keeping with our income. Because of lost income, some people may need to offer less. Others whose income continues may then wish to offer more to help meet our needs. We encourage each member to count their physical and spiritual blessings and return their first-fruit offerings as a joyful act of worship and with confidence in the Lord to provide for our needs.

God's Word teaches, “For if the willingness is there, the gift is

acceptable according to what one has, not according to what one does not have. Our desire is not that others might be relieved while you are hard pressed, but that there might be equality. At the present time your plenty will supply what they need, so that in turn their plenty will supply what you need.” 2 Corinthians 8:12-14

One of our action plan goals is to revise our

church structure to increase involvement and ownership from all the members of our church family, male and female, young and old. A subcommittee is studying this issue and reviewing the bylaws of other WELS congregations.

Opportunities to Help Others – Keep your eyes and ears open for opportunities to help people facing challenges during this health crisis. Perhaps you can get groceries for an elderly family. Offer a phone

Presently our income is tracking closely with our expenses. We thank the Lord for moving the hearts of his people to offer their first-fruit offerings to support our ministry plan and the Lord's work elsewhere. Always remember however that we don't give to "pay the bills." We offer God our firstfruit offerings in gratitude for the incredible blessings we enjoy from him. We give, trusting in the Lord to provide for our needs, and we give to make the most of the ministry opportunities God places before us. All voting members are encouraged to attend.

Call News – We rejoice that Joshua Gibson accepted his call to serve as our 8th grade teacher and his wife Nicole accepted her one year call to serve as a K/1 Reading and Math teacher for our school. We also look forward to welcoming Marlee Hill as our new 3rd grade teacher. Cheryl Henckel declined her call to serve at West Salem, WI and will continue to serving among us. We wish them all God's blessings in their ministries!

Retirement Celebrations - We will thank the Lord for the blessings we have received through the ministry of Joan Kulow at her retirement celebration Sunday June 14th at the 10:00 am worship service, with a meal and program to follow. Look for more details to come. The celebration of Mrs. Cathy Wilk's retirement after 40 years in the public ministry has been postponed until Sunday, September 13th.
